	4	In Narch 1953, three or four guns of an unidentified model with rubber- tired wheels and several model Fraha RN trucks were observed in an in- stallation consisting of 10 to 15 newly constructed hutments, immediately north of the Tachov (N 50/P 54) reilroad station, on the east side of the road to Flana (N 50/F 55).3	
25X1	5		
25X1 25X1 25X1 25X1		Ostrave (F 50/0 59). During registration, about 120 men of the 1933 and 1934 classes were subjected to an X-ray examination. In June 1953, about 500 men of the 1933 and 1934 classes required to appear before a mixed commission of officers and civilians for	
25X1		another registration.	
25X1	1.	Comment. The weapons observed possibly belong to the infantry regiment which is carried in Stribro. It is believed that not the entire regiment is stationed at the post. The unit belongs to the 11th Inf Div, The elements of the regiment not yet stationed at Stribro will probably move there after completion of the new barracks installations.	
25X1 25X1	2.	Comment: In June 1953, members of the 1923 class were inducted for a 3-week reservists' exercise.	
25X1 25X1	3.	Comment elements of the 18th Inf Regt is carried in Techov.	
25X1 25X1	Å, «	determined. It is believed that most of the inductees were members of the 1932 and 1933 classes. The 1934 class is not expected to be inducted before the spring of 1954. The first groups of this class were possibly registered	5X 1
